Informations for all members And those who want to become one!

The following are the most important rules according to which our club and sporting activities in the new clubhouse at Stockacher Straße 9 are run and which we ask you to attend and comply with.

A. General Information

1. In the future, the clubhouse can be entered at any time with a new club card. If the computer system is down, the key must be used to open the door. Information on this can be obtained by calling 0172/852 78 64 or 820 18 33.
2. A club card cost 10,00 €. This gives access to the clubhouse at any time, the booking of drinks is in preparation.
3. When entering the clubhouse, please sign the attendance book on the 2nd floor (for insurance and liability reasons).
4. The Presidium must be informed who is training in our club rooms. Therefore, please inform the Presidium in advance if guests wish to train with us (trial training).
5. According to the basic rules of decency, it is expected - and therefore does not really need to be mentioned - that people greet each other when entering the clubhouse or the training room.
6. From time to time there will be information meetings (e.g. general assemblies or similar). Please attend these meetings to get important information. It is in your interest to take in up-to-date information.

B. Parking at the area of Stockacher Str. 9

1. Between 7 a.m. and 7 p.m. parking is only allowed in the northern area of the grounds and preferably in the parking spaces designated for the TTC. Parking in the entrance area will be penalised.
2. After 7 p.m. and on Saturdays after the closing of "Bayerischer Fliesenhandel" (approx. 2 p.m.), parking is permitted on the entire area.
3. Pollution of the parking area have to be avoided.

C. Internal Organisation/Assistance services

1. We need the help of the members to maintain the sporting activities and socialising. Therefore, active assistance is expected from all persons over 16 years of age who have to pay the additional contribution for competitive sports. The need for assistance is estimated at 12 hours per year. An accurate record of this help will be kept. Helpers' hours not worked will be charged at 20 €/h (members under 18 years of age: 10 €/h) and collected in December or when they leave.
2. Helpers' assignments can be requested from the Presidium; the Presidium maintains the database with helpers' assignments.

D. Sporting activities

1. Please help to ensure cleanliness and order in all club rooms. As a general rule, no food or chewing gum is allowed in the training rooms. Please do not leave handkerchiefs or leftover bandages lying around, but throw them into the waste bin. The training rooms should only be entered with dancing shoes.
2. Wetting the soles of dance shoes with slip-resistant media is only permitted in the designated areas.
3. In the training rooms, only self-brought sealable containers (bottles) are allowed for the supply of liquids. The use of glasses from the bar is only intended for the bar area. This regulation is the consequence of the athletes' insufficient sense of order, who in the past left the glasses in the training rooms, did not put them in the dishwasher and did not take care of switching on and emptying the dishwasher.
4. Everyone must consider others during training. This includes the use of training space, the choice of dance direction, dodging and the choice and volume of music. A change of music requires the consent of those present.
5. The current training schedule is binding for coaches and couples. Exceptions can only be approved by the Presidium. Hall closures and changes in the training schedule will be announced on the internet; please keep yourself informed.
6. In the absence of all Presidium members, coaches exercise the domiciliary rights on behalf of the Presidium. They have music privileges in the respective section (according to the training schedule St or La). For private lessons to non-Club members, the coach has to pay a rental fee of 5 €/hour. Only club trainers or persons authorised by the Presidium should teach.
7. Tournament couples register for their tournaments via ESV/Internet until Monday evening. In case of later registrations, the Sports Director or the Representative for Competitive Sports must be informed.

8. The coaches shall keep a list of the couples/persons participating in the classes. This list shall be handed over to the Presidium at the end of the quarter.
9. The participation of guests in the organised training requires the consent of the coach. The coach must inform the Presidium in due time.

E. Cloakrooms

1. Training clothes and towels should be taken home to be washed; airing out in the cloakrooms will not be tolerated.
2. Left-behind and forgotten items can be released in the office.
3. Neither chairs nor floor are provided for waste, only the waste bins.
4. You can use the showers before/after training free of charge. Please leave the showers as you wish to use them.
5. The emergency exit from the women's dressing room via the men's dressing room into the staircase is only to be used in extreme emergencies (danger to life).

F. Clubhouse/Bar

1. The clubhouse is for everyone and everyone should always be able to feel comfortable.
2. Therefore, please help to keep the place tidy and clean: put glasses/cutlery/plates/cups in the rinsing baskets after use; put bottles in the racks provided. Dirty tables are to be cleaned. Please also urge the other members to behave accordingly.
3. If you have forgotten your membership card, you must enter your consumption manually in the bar list (legibly, please, with surname and first name). This amount will then also be debited.
4. If you do not have a membership card, please enter your consumption manually in the bar list. When the 5,- € limit is reached, these debts will be debited on a rotational basis.
5. We are happy about sporting successes and other reasons to celebrate. Should you wish to bring your own drinks etc., we expect the empty bottles to be properly tidied up.

G. Leaving the clubhouse

1. When leaving the training room, check that the windows are closed and the music system is switched off. The lights go out automatically.
2. The lighting in the staircase is to be switched off at the entrance door using the button on the right.

H. Behaviour and appearance at tournaments

1. We expect our members to convey a positive image of TTC Munich with their appearance, their behaviour and their outfit (before and during the tournament).
2. Fairness and sportsmanship should be a matter of course.
3. Good results should not tempt people to fly high; really good dancers do not need arrogance.
